05 — CAPABILITIES

TOOL & DIE

Anchor's 25,000 sq ft tool and die shop designs, refurbishes and adapts the dies that run in the press room. The team of experienced tool and die makers is backed by an ongoing apprenticeship program.

25,000	4	3
SQ FT TOOL SHOP	DIE TYPES	TOOL ROOM PRESSES

DIE TYPES

- Progressive
- Transfer
- Single-hit
- Deep-draw
